

ACTION REQUIRED: STUDENT MATERIALS

You will need a large whiteboard for EACH of your students so that you are able to implement EBLI immediately.

Whiteboards can be purchased at Home Depot. Ask for showerboard to be cut into 12" x 18" individual boards. (They will often cut the boards for free if you tell them you're a teacher.) One showerboard will create 20 boards (roughly \$0.65 a board).

You will also need whiteboard markers for your students. We recommend markers from The Markerboard People (www.dryerase.com).

In addition, you will need erasers for your students. You can order the mini erasers from The Markerboard People, or have students use tissues, socks, felt, fingers from old gloves, etc.

If you have any questions, please reach out to us at EBLI Headquarters as we are more than happy to assist you. You may reach us at 810.732.4810 or info@ebli.com.
