Boyfriend Patty

My boyfriend's name is Patty. He lives in Cincinnati.

With 14 toes and a pickle on his nose and this is the way my story goes.

One day when I was walking, I heard my boyfriend talking.

To a pretty little girl with strawberry curls and this is what he said to her.

I l-o-v-e love you, I k-i-s-s kiss you.

I l-o-v-e love you, I k-i-s-s kiss you love and kiss you dearly.

And now that we are married and have a little brat,

We'll live down south in a strawberry house

And that's the end of that, that, that.
